BIG features
Sedao **SIMPLICITY**

The PICO MKII is a fully featured multi-zoned small format digital signage player for the budget conscious. Driven by the easy to use SedaoLive platform and at an entry level price the PICO MKII is ideal for internal communications or customer facing messages.

Connect it to a big screen to show dynamic digital signage displaying whatever message you want, as many ways as you want, in your choice of layout, it's that simple.

PICO MKII

- Manage your display from your online account using any internet connected device, any time, anywhere

- Choose from a range of modern templates with varying multimedia zones including built in time and date widgets

- Add your logo, colour scheme and theme image to the templates for a personalised display

- Update your message with text, images, videos, news feeds, pdfs, PowerPoint and more

- Send emergency messages instantly

- Easy to use and designed for non-graphic/non-technical users

- Cost effective with no ongoing costs for a single screen with basic plan features
